

IN THE UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF ARKANSAS
NORTHERN DIVISION

CHRISTOPHER EVERETT
ADC #152664

PLAINTIFF

v.

No. 3:20-cv-90-DPM-BD

NURZHHUL FAUST, Warden,
North Central Unit, ADC, *et al.*

DEFENDANTS

ORDER

1. Objection, *Doc. 70*, overruled. The Magistrate Judge did not clearly err or misapply the law in staying discovery on the merits until the exhaustion issue has been resolved, *Doc. 51*. FED. R. CIV. P. 72(a). And she has remailed copies of the papers Everett needed. *Doc. 76*.

2. On *de novo* review, the Court adopts the 8 June 2020 partial recommendation, *Doc. 75*, and overrules Everett's objections, *Doc. 89*. FED. R. CIV. P. 72(b)(3). Everett's motions are light on specifics and thus don't show an immediate danger of irreparable harm. They are therefore denied. *Doc. 67 & 73*.

3. Everett's 11 June 2020 motion, *Doc. 84*, provides more details about who is allegedly threatening him with harm. The Court therefore declines the 12 June 2020 partial recommendation, *Doc. 87*. A response to that motion is needed; and a hearing may be necessary in due course.

So Ordered.

D.P. Marshall Jr.
